

Evolution

Making outdoors, yours

Solid, capped composite decking, crafted for ultimate style and durability.

Evolution features EcoTech®, an advanced protective outer layer that wraps around the solid board. EcoTech® offers exceptional stain and colour fade resistance and is an easy-to-clean, low maintenance option.

The boards are reversible and have a rich woodgrain texture. They perfectly emulate real wood, for a luxurious, timeless finish.

Ecodek Evolution is available in a number of stylish colour options.
